**WELCOME TO THE GRACE PLACE**

April 30 and May 1, 2011

Welcome to The Grace Place Church. Thank you so much for joining us for worship this weekend. We know that you have come to this service with a lot of challenges and needs in your life. That is why we have been praying God will use this service to provide you with exactly the help that you need. This weekend I am beginning a five-part sermon series entitled "Going Home". These messages will focus on issues related to our family life and specific challenges that many of us are facing, or will face. There is no place of greater Satanic assault than our families, marriages and the values that affect those relationships. This is a great opportunity to grow in your family relationships and find the tools that you need to make improvements in your relationships with your children, spouse, parents and siblings.

This weekend I will be sharing a message entitled "Building A Healthy and Happy Family". As we start this new series, "Going Home", it is imperative that we look at God's word to see what God says you need to do to have a healthy family. We will be addressing issues related to resolving conflict, healing for hurting parents, a wife's basic needs and a husband's basic needs. During this series I'm not talking about a perfect family – there is no such thing as a perfect family because it's made up of imperfect individuals – but you can have a healthy family without it being perfect.

This weekend, following the Sunday 2 service, at 12:30 p.m. we are going to be baptizing new believers in our baptismal pool in front of the Connection Center. Don't miss this opportunity to celebrate with these new believers as they give public testimony of their faith.

Karon and I invite you to join us for our seventh trip to Israel, November 9-18. This is a life-changing trip that will help you to grow spiritually and will broaden your understanding of the scriptures. It is impossible to describe what it is like to walk in places that you know Jesus Himself walked, to know that you are in the very place the voice of our Savior was physically heard. We will visit all of the significant Biblical sites in Israel and each day we will have study and worship time at a special Biblical site. God has used this trip to encourage, strengthen and grow those who have gone on our previous trips. There are brochures available in the lobby this weekend. If you are interested in this trip please contact my wife Karon at 287-6388 or email her at [karonaddison@thegraceplace.com](mailto:karonaddison@thegraceplace.com).

I trust you have a wonderful week!

**Worship Service Etiquette**

Thank you for using our Infant and Toddler nurseries in the Ministry Center. We know by doing so you will experience more from our worship service and reduce distractions to other worshipers as well.

- Please turn off your cell phone.
- If you know that you will have to leave the service early, please sit in the back row of a section to keep from distracting others in worship.
- The message time and closing of each service is very important. People are making significant decisions in light of what they have experienced.

We ask that you pray for God's agenda to be fulfilled in the hearts of everyone attending. Thank you for not distracting other worshipers. God bless you.
