WELCOME TO THE GRACE PLACE

August 6 and 7, 2011

Welcome to The Grace Place Church. Thank you so much for joining us for our service of celebration and worship. We have planned this service with your needs in mind and believe God wants to use it to strengthen our faith and trust in Him. I have discovered that the best things in life always require us stepping out of comfort zones and taking steps toward something better than our current circumstances. There is no story in the Bible that illustrates this more clearly than a story about the Israelites sending 12 spies into the Promise Land (modern day Israel). Ten of the twelve returned scared out of their wits by the size of the people in the land and the great walled cities. Only Joshua and Caleb returned with a focus on who their God was. They knew that when He was brought into the equation, the giants and walled cities were nothing. It is easy to criticize their lack of faith, but that is because we know the rest of the story. In all of our lives we have opportunities to take some faith steps toward what God has promised us, but because we focus on the size of the problem, we fail to see God doing the miraculous in our lives.

Karon and I would be delighted to have you join us for dinner at our house on Friday evening, August 12th, to find out about our study/sight-seeing trip to Israel. This dinner is an informational/planning meeting for those of you who would like to consider joining us on this amazing trip. This will be the seventh time we have made this trip, and we are very excited about introducing you to this wonderful land that is so incredibly important in the life of a Christ-follower. We are now a little less than four months away from leaving for Israel and the travel agency needs to be able to start finalizing our plans for the trip, so please give my wife Karon a call at 772-284-7010 (voice or text), or email her at karonaddison@thegraceplace.com to get more information about the trip, or confirm you are joining us for dinner. This year's trip will be November 9th-18th, 2011. There are brochures available in the lobby.

It is great to see you in worship this weekend. If you are going to be out of town, remember you can be a part of our Internet church via www.thegraceplace.com/live at any of the regularly scheduled worship times!

Worship Service Etiquette

Thank you for using our Infant and Toddler nurseries in the Ministry Center. We know by doing so you will experience more from our worship service and reduce distractions to other worshipers as well.

- Please turn off your cell phone.
- If you know that you will have to leave the service early, please sit in the back row of a section to keep from distracting others in worship.
- The message time and closing of each service is very important. People are making significant decisions in light of what they have experienced. We ask that you pray for God's agenda to be fulfilled in the hearts of everyone attending. Thank you for not distracting other worshipers. God bless you.
