WELCOME TO THE GRACE PLACE

July 30 and 31, 2011

Welcome to The Grace Place Church. We are delighted you have joined us for worship this weekend. There is this basic fact of life that all of us live with, that is, the things that are the most valuable in life are easily taken for granted and allowed to become lukewarm. Most of us would readily say that our marriages are our most valuable relationship in life, but we can easily take our spouse for granted and let that relationship go on auto-pilot. Spiritually we can do the same thing. We would quickly tell someone that our relationship with God is our most important relationship in the world, but it is very easy for us to let other things crowd out the vitality of that relationship. This weekend we are going to focus on allowing God to rejuvenate our walk with Him through the message I share and the music we sing. This summer we are in a series of messages entitled "You Can't Fix Stupid, But God Can". In this series we have been looking at some of the foolish things we do and finding the God Fix for them. We know that God wants to Fix the problem of lukewarmness in our lives today.

Our next membership classes begin in a couple of weeks. The best way to get introduced to The Grace Place is in Class 101. In this class I will give you a brief history of our church, highlight some information about the church you will not discover anywhere else, describe our church structure, and introduce you to our Core Values. Class 101 is offered on Sunday afternoon, August 7th at 4:00 p.m. in the Connection Center building in Gym West. Class 301 will be offered on August 10th at 7:00 p.m. Class 201 is the class where you officially can become a member of The Grace Place. Class 201 will be offered on Sunday, August 21st at 4:00 p.m. Childcare is available for all of the classes. A light meal is provided for Class 101 and a welcoming dinner will be provided for Class 201. You can sign up for these classes online at www.thegraceplace.com/register or you can call my assistant Debby at 287-6388 or email her at debbidoyle@thegraceplace.com. You can also sign up at the Welcome Center this weekend.

If you have not signed up for dinner at our house on Friday evening, August 12th, to find out more about joining Karon and me on our study/sight-seeing trip to Israel, please do so today. This dinner is an informational/planning meeting for those of you who would like to consider joining us on this amazing trip. This will be the seventh time we have made this trip and we are very excited about introducing you to this wonderful land that is so incredibly important in the life of a Christ-follower. We are now a little less than 4 months away from leaving for Israel and the travel agency needs to start finalizing our plans for the trip, so please give my wife Karon a call at 772-287-6388 or 772-284-7010 (voice or text), email her at karonaddison@thegraceplace.com to get more information about the trip, or confirm you are joining us for dinner. It is impossible to adequately describe what it is like to walk in places that you know Jesus Himself walked, to know that in this very place the voice of our Savior was physically heard. This year's trip will be November 9-18, 2011. On this trip we will visit all of the significant Biblical sites in Israel, each day we will have study and worship time at a special Biblical site. There are brochures available in the lobby this weekend at the Israel trip table.

I trust you are having a wonderful summer! If you are out of town, remember you can be a part of our internet church via www.thegraceplace.com/live at any of the regularly scheduled worship times!

Worship Service Etiquette

Thank you for using our Infant and Toddler nurseries in the Ministry Center. We know by doing so you will experience more from our worship service and reduce distractions to other worshipers as well.

- Please turn off your cell phone.
- If you know that you will have to leave the service early, please sit in the back row of a section to keep from distracting others in worship.
- The message time and closing of each service is very important. People are making significant decisions in light of what they have experienced.

We ask that you pray for God's agenda to be fulfilled in the hearts of everyone attending. Thank you for not distracting other worshipers. God bless you.

Measure of A Man Part II
