WELCOME TO THE GRACE PLACE

June 4 and 5, 2011

Welcome to The Grace Place Church. Thank you for joining us for this service of worship and celebration. This weekend I am beginning our summer sermon series entitled, "You Can't Fix Stupid, But God Can". During this series of messages we are going to be looking at various Biblical characters who made some really bad decisions and how God "fixed" them. This is going to be a very positive series that will help all of us to realize that no matter what kinds of decisions we have made in the past, God is constantly chasing us with His Grace and mercy. Don't miss a single weekend as we focus on God being our Restorer, Grace-giver, Transformer, etc.

This weekend Karon and I will complete 18 years of ministry at The Grace Place. We say a heart-felt "Thank You!" to all of you who have partnered with us over these years and trust that you are as blessed as we are. It is because of you that this has been such an incredible ministry journey. As we begin our 19th year serving as your pastor, I am thankful that my vision for our church has never been clearer and my anticipation of what God is going to do in the weeks, months and years ahead has never been greater! We have so many things still to do and so many mountains still to climb – let's work together to make these the "best of times" for all of us! God bless you and thank you for being such a terrific church!!

If you have not yet signed up for our membership classes, why don't you take the time to do that now? Class 101 and Class 301 are offered this Sunday afternoon, June 5th at 4:00 pm in the Connection Center building. Class 201 is the class where you can officially become a member of The Grace Place. Class 201 will be offered on Sunday, June 12th at 4:00 pm. Both Class 101 and 201 will be in Gym West in the Connection Center. Childcare will be provided for all of the classes- but please register for childcare. A light meal is provided for Class 101 and a welcoming dinner will be provided for Class 201. You can sign up for these classes at the Welcome Center this weekend.

Karon and I invite you to join us for our seventh trip to Israel in November. It is impossible to describe what it is like to walk in places that you know Jesus Himself walked, to know that in this very place the voice of our Savior was physically heard. This year's trip will be November 9-18, 2011. On this trip we will visit all of the significant Biblical sites in Israel and each day we will have study and worship time at a special Biblical site. God has used this trip to encourage, strengthen and grow those who have gone on our previous trips. There are brochures available in the lobby this weekend. If you are interested in this trip please contact my wife Karon at 287-6388 or email her at karonaddison@thegraceplace.com.

I trust you have a wonderful week and we will look forward to seeing you each weekend this summer in celebration and worship!

Worship Service Etiquette

Thank you for using our Infant and Toddler nurseries in the Ministry Center. We know by doing so you will experience more from our worship service and reduce distractions to other worshipers as well.

- Please turn off your cell phone.
- If you know that you will have to leave the service early, please sit in the back row of a section to keep from distracting others in worship.
- The message time and closing of each service is very important. People are making significant decisions in light of what they have experienced.

We ask that you pray for God's agenda to be fulfilled in the hearts of everyone attending. Thank you for not distracting other worshipers. God bless you.
