WELCOME TO THE GRACE PLACE

October 8 and 9, 2011

Welcome to The Grace Place Church. Thank you for joining us for worship this weekend. Over the 32 years I have served as a pastor, it seems to me that the number one question I have been asked over and over is – *"Why don't we love each other the way we used to?"* It is important to remember that your marriage is always either growing together or drifting apart – it does not stand still. That leads us to ask a very obvious question – *"What do you do when your marriage has gone flat?"* When it is stable but there's no sparkle – what do you do when your marriage has lost its pizzazz? You do what Jesus told the church at Ephesus to do when the church had lost its first love. *"You have forsaken your first love. Remember the height from which you have fallen? Repent and do the things you did at first."* (Revelation 2:4-5) If you want to restore your marriage you will need to build a bridge over the chasm that is creating the tension and frustrations in the marriage. This weekend, as we continue the Bridge-Builders sermon series, I am going to be talking about Building Bridges In Your Marriage.

Last Monday we began a 21 day prayer focus for our church and our prayer partners. Each weekday morning Monday – Friday from 6-7 a.m. the church will be open and there will a time of prayer focusing on our Fall Ministry season. Please stop by and pray during that time for however long you have. It is fine to come for a few minutes or the entire hour. On the weekends there will be a prayer time from 5-6 p.m. on Saturday and from 8-9 a.m. on Sunday in the Celebration Center prayer room. Please contact my wife Karon via text at 772-284-7010 or email at karonaddison@thegraceplace.com, or phone at 772-287-6388 if you have questions.

Next Saturday, October 15th, we are going to have a Fall "spruce up the campus" workday. We need a lot of strong backs, green thumbs and willing hands to help us to get all of the flowerbeds and landscaping cleaned up. If you can utilize your business to help out with this project or if you can participate please contact Mark Foskey at (772) 631-5016 by text or phone, or email him at markfoskey@thegraceplace.com. He and Genie Ponte are spearheading this project.

I trust you have a wonderful week. Thank you for joining us this weekend in Celebration and worship! When you are out of town, remember you can be a part of our internet church via www.thegraceplace.com/live at any of the regularly scheduled worship times!

Worship Service Etiquette

Thank you for using our Infant and Toddler nurseries in the Ministry Center. We know by doing so you will experience more from our worship service and reduce distractions to other worshipers as well.

- Please turn off your cell phone.
- If you know that you will have to leave the service early, please sit in the back row of a section to keep from distracting others in worship.
- The message time and closing of each service is very important. People are making significant decisions in light of what they have experienced.

Thank you for not distracting other worshipers. God bless you.
